HELLO, TALLAHASSEE!

Named a 2025 All-America City, Tallahassee offers an exceptional quality of life for its more than 200,000 residents — and for every visitor who comes to explore. Vibrant neighborhoods, abundant outdoor recreation, and thriving business and educational opportunities make Florida’s capital one of the South’s most celebrated and livable cities. Here, arts and culture thrive alongside striking natural beauty, all wrapped in the warm hospitality that defines Tallahassee.

WINTER WONDERLAND

Residents of the Sunshine State’s capital awoke on January 22, 2025, to find Tallahassee transformed into a winter wonderland with nearly two inches of snow and sleet blanketing the city. Locals embraced the novelty of several unexpected snow days. Tree canopies shimmered under a coat of ice crystals, and rolling hills beckoned joyful sledders. Bundled in their best Florida winter wear, residents built snowmen, launched snowballs, and marveled at familiar landmarks glittering beneath a layer of white.

Amid the once-in-a-generation weather event, the City’s dedicated workforce kept essential services running, working around the clock to ensure Tallahassee remained safe, connected, and warm. The snowfall was fleeting, but the memories it created will endure.

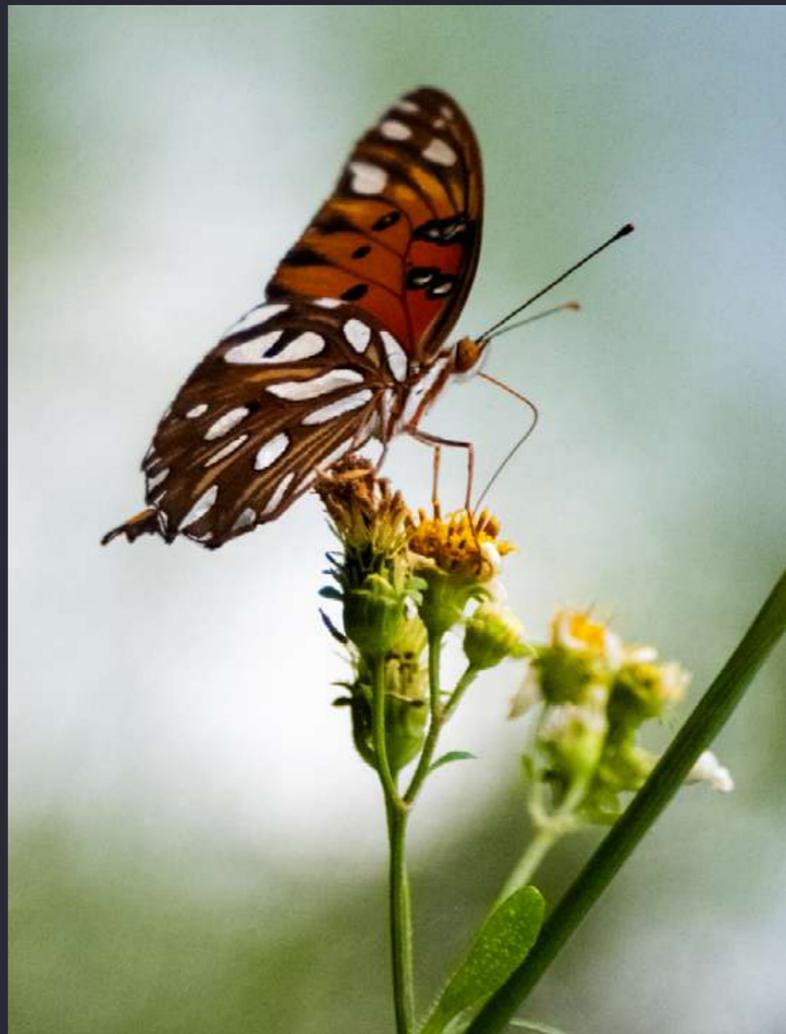

CULTURAL COMMUNITY

Tallahassee’s art scene flourishes with festivals, galleries, theaters, and live music venues offering diverse experiences. Local talent shines through these avenues, blending traditional and modern artistic expressions that enrich the cultural fabric.

The City also fosters community connection through signature events such as The Longest Table, a large-scale community dinner that brought more than 1,000 residents together from all walks of life. The event is a beloved tradition where the City’s renowned hospitality is on full display, inviting neighbors to share a meal and meaningful conversation. The 2025 Longest Table was especially significant, serving as a celebration of Tallahassee being named an All-America City for the third time and highlighting the community spirit that defined the achievement.

The City’s rich heritage, featuring landmarks, museums, historical markers, and guided tours, offers an engaging way to explore the area’s past. These cultural amenities are available year-round, allowing visitors and residents to readily connect to the stories that shaped the community over generations.

OUTDOOR OPPORTUNITIES

Tallahassee is known for its natural beauty. Thanks to thoughtful planning and stewardship, the City boasts an impressive 55 percent tree canopy — one of the highest in the nation — creating a lush, shaded landscape that enhances outdoor experiences and strengthens the community’s connection to nature.

The City continues to expand its robust park system, furthering its commitment to strengthen, protect, and preserve the environment. With more than 100 parks and over 70 miles of trails, residents and visitors enjoy an array of outdoor amenities from scenic paths and sports facilities to one of the world’s top-ranked disc golf courses. Parks are central to quality of life, serving as gathering spaces for special events, moments of relaxation, fun games, and memories made with family and friends. They help foster a vibrant, healthy lifestyle, and with most residents just a 10-minute walk from a park or green space, nature is always within easy reach.

THE CITY OF TALLAHASSEE was founded 201 years ago as Florida's capital city. Today, the City proudly serves a diverse community of approximately 200,000 neighbors in all facets of life, work and recreation. Each day, a devoted workforce of nearly 4,000 people come together to ensure the needs of the community are met through municipal service. To guide this effort, the City Commission has adopted clear statements on why we exist, what we aspire to be, and how we work.

OUR MISSION

To be the national leader in the delivery of public service.

OUR VISION

A creative capital city that supports a strong community with vibrant neighborhoods; an innovative economic and educational hub serving diverse and passionate people, protecting our natural resources and preserving our unique character.

OUR VALUES

- Honor public trust through ethical behavior
- Provide exceptional citizen service
- Lead with integrity at every level
- Collaborate to reach common goals
- Invest in employee excellence
- Promote equity and celebrate diversity

LETTER FROM THE CITY MANAGER

Guided by the City Commission's leadership and the tireless efforts of our staff, the City of Tallahassee advanced key initiatives aligned with our mission, vision, and values. Whether responding to natural disasters, securing major grant funding, or implementing transformative infrastructure projects, the City remained committed to positioning Tallahassee as a national leader in the delivery of public service. This year reflects our continual progress and the growing momentum driving Tallahassee toward an even brighter future, which earned us major national recognitions.

Among approximately 19,500 U.S. municipalities, Tallahassee stands out for its operational expertise and excellence. In June 2025, we ranked as one of the Top 20 Best-run Cities in America by WalletHub, taking first place among Florida cities. The City's delivery of best-in-class services through efficient budgeting, process improvements, and innovative solutions earned Tallahassee the top spot.

Also, in June, Tallahassee was named a 2025 All-America City. This coveted, highly competitive award is presented annually to just 10 communities from across the country that exemplify inclusive civic engagement, outstanding innovation, and meaningful collaboration to create a strong community. Tallahassee now joins an elite group of only a few cities nationwide to receive this prestigious honor three times, reinforcing the continued collective efforts that make us a model for cities across the nation.

It was a true honor to earn these and many other recognitions this year, and while illustrious, they still represent only a fraction of the positive impact we have made across our community.

In 2019, we charted a bold vision for the future of Tallahassee with the development and adoption of the City's first five-year Strategic Plan. Seeing the compounding success of those efforts spurred the establishment and launch this year of the City's second five-year Strategic Plan, which is poised to generate an even stronger Tallahassee.

Significant strides were made toward our 2050 Clean Energy goals, including energy-efficient upgrades to City buildings, breaking ground on the first municipally owned EV charging station, and completing 5,485 home energy audits and rebates. Today, 42% of StarMetro's fleet is all-electric, and 33% of the City's light-duty vehicles use clean

REESE GOAD

fuel. Solar applications grew 8%, and construction recently began on a 50 kW floating solar installation.

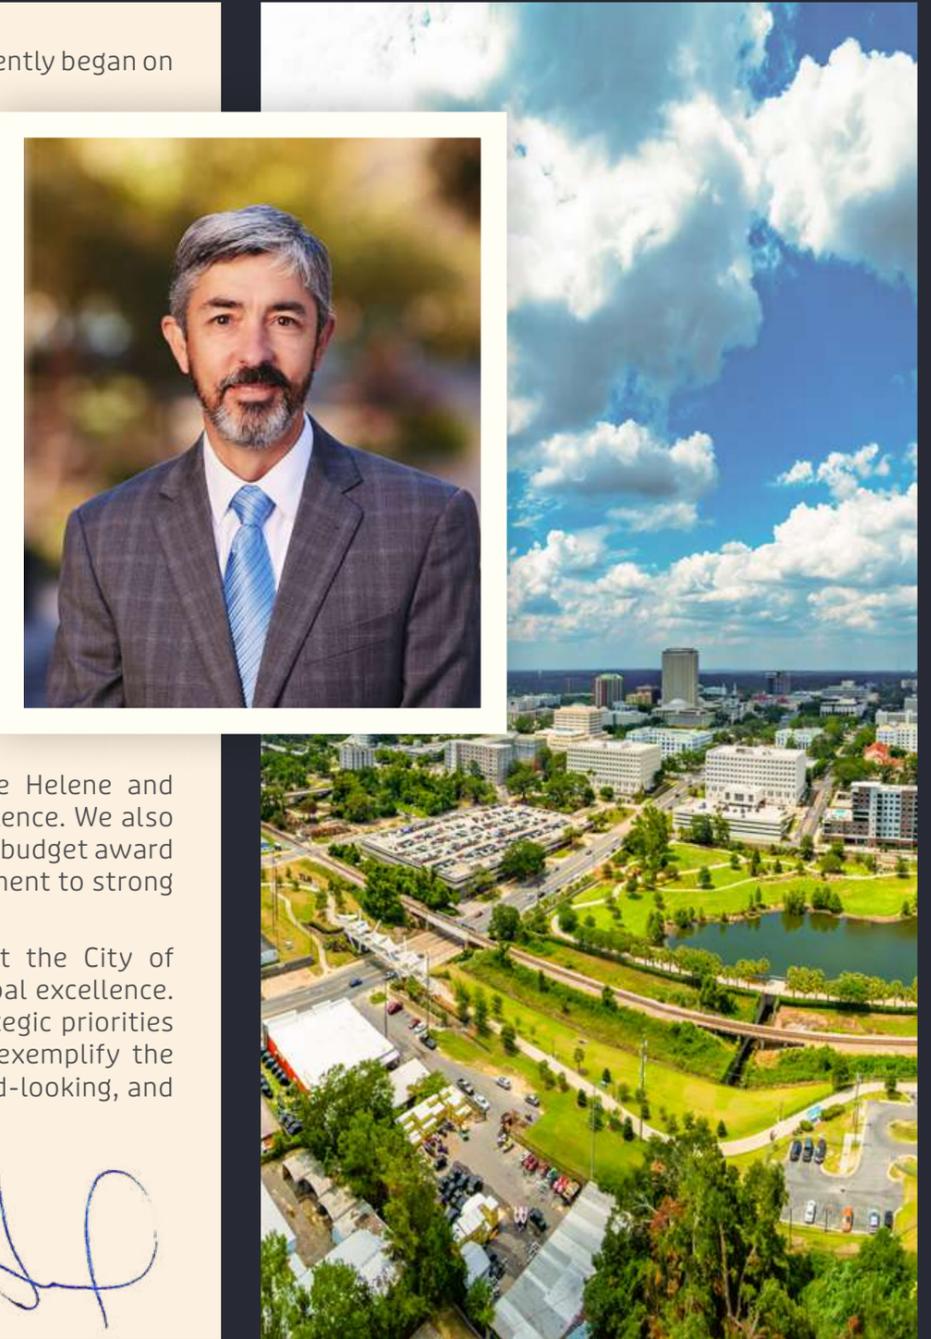

Our park system expanded, reaching a total of 102 parks with two more new parks currently under construction. Design is progressing on the Welaunee Greenway, supporting our goal that all residents live within a 10-minute walk of green space.

The City fostered economic growth and innovation, earning recognition from the International Economic Development Council and hosting the 2025 Motor, Drive Systems & Magnetics Conference. Major infrastructure projects included \$60 million in airport upgrades and \$9.6 million in grant-funded pedestrian safety improvements. In partnership with FAMU and FSU, we launched PREDISS to improve traffic safety.

Public safety remained a priority, and the data is clear. Violent crime in Tallahassee is down more than 30% over the last couple of years. Additionally, the Capital Region Real-Time Crime Center was named national Center of the Year.

Threatened with severe weather such as Hurricane Helene and Winter Storm Enzo, City teams responded with excellence. We also received the highest audit rating and earned the GFOA budget award for the 40th consecutive year, reflecting our commitment to strong financial stewardship.

As we reflect on this past year, it is evident that the City of Tallahassee continues to set the standard for municipal excellence. Every achievement reflects our core values and strategic priorities evidenced by the accomplishments of FY25, which exemplify the spirit of a 21st-century capital city - resilient, forward-looking, and united in service to all.

ECONOMIC DEVELOPMENT

ADVANCING THE CITY OF TALLAHASSEE AS A COMPETITIVE, INNOVATIVE, AND SUSTAINABLE REGIONAL ECONOMIC HUB.

Driven by collective efforts, the City of Tallahassee is building on its strong, dynamic economy that is inclusive and positioned for long-term, sustainable growth—benefiting both residents and businesses. To support this economic momentum, the City has made significant strides in modernizing and enhancing critical infrastructure. Strategic investments in water, wastewater, stormwater, and transportation systems have strengthened the capacity for future development, while also improving quality of life and resilience across the community. These upgrades have laid the foundation for continued economic diversification, as Tallahassee

successfully attracted and expanded a wide range of industries, creating new job opportunities. Additionally, Tallahassee International Airport (TLH) continues to increase its regional economic impact through award-winning sustainability initiatives, major infrastructure projects, and new grant funding to expand international commerce capabilities. Stimulating residential development has also remained a priority, with more than 1,100 new housing units permitted, affordable housing communities breaking ground, and innovative programs launched to support homeownership and housing affordability.
